

## VETERAN AFFAIRS AND RESOURCES

Labouré College welcomes former and current members of the armed services and their families to our community.

We aim to support your continued success by assisting you in the utilization of military educational benefits and connecting you with campus, local, and national resources. As an institution, we are committed to working with you to understand and support your needs in transitioning from a military to a collegiate environment.

Labouré College values the unique contributions our military students make towards bringing innovation to the healthcare industry.

### Tuition and Fee Payment

Students who are receiving VA Education Benefits are not expected to pay tuition and fees by the payment deadline date established by the College each semester, provided that they have submitted a certificate of eligibility (COE) to the Registrar's Office. Should benefits not cover the entire cost, the student will be responsible for the unpaid balance.

VA-eligible students can obtain more information concerning their education benefits by contacting Amy Johnston, Associate Registrar/VA Certifying Official at (617) 322-3518 or at [Amy\\_Johnston@laboure.edu](mailto:Amy_Johnston@laboure.edu).
