Minor Policies & Procedures

The student should meet with the minor advisor to discuss enrollment in the minor and course selection.

To officially add a minor to a student's enrollment status in the student information system, the student must submit a change of major/minor form located on the student portal.

The minor will show on the student's transcript. The minor does not show on the student's diploma.

A student enrolled in a minor is required to complete all the minor requirements to be eligible for degree conferral.

If the student is not completing the minor, the student must submit a change of major/minor form to officially drop the minor and change enrollment status in the student information system.
